Horse Play

The park's horse camp near the beach has three double and five quadruple corrals. You can enjoy four miles of ocean beach and 11 miles of designated trails for riding when visiting Bullards Beach with your horse.

Trails for Hiking and Biking

The campground is just over a mile from the shore, and trails lead to the beach as well as to acres of dunes. Bring your bicycle for a fun ride on the hard-packed sand; just remember to always keep an eye on the ocean.

A Learning Environment

Junior Ranger activities designed for ages 6-12 years are a fun way for kids to learn about salmon, wildlife, bicycle safety, and river travel. Check at the registration booth for current schedules and information.

Visitors of all ages can enjoy history, nature, and entertainment programs in the park's amphitheater, offered on select evenings from mid-June through September.

Visit the Lighthouse

The historic Coquille River Lighthouse, built in 1896, stands at the end of the park's beach access road. Decommissioned in 1939, it no longer serves as a navigational aid. The "fog room" contains historical displays and a small gift shop; the proceeds support renovation efforts. The lighthouse is open for interpretive tours led by park volunteers from mid-May through mid-October. Call the park office at 541-347-2209 to get information about hours of operation or schedule large group tours.
