LaPine State Park occupies a scenic spot on the trout-filled Upper Deschutes and Fall rivers. Its 10 miles of trails afford plenty of views for sightseers and wildlife watchers, and its campground is next door to a landscape of past volcanic activity and Cascade mountain wilderness just waiting to be explored.

Year-Round Camping

- 82 full-hookup sites (sewer, electricity, water)
- 47 electrical sites with water
- Five rustic log cabins (one pet-friendly, #1)
- Five deluxe log cabins (one pet-friendly, #44)
- Hot showers and flush toilets
- Log cabin meeting hall
- Park store (seasonal)
- Firewood and ice sales (seasonal)
- RV dump station

Universal Access

All of the deluxe cabins and one of the rustic cabins (#5) are accessible to campers with disabilities (winter accessibility varies).

Camping Rates

Rates are subject to change. You can get up-to-date information by calling 1-800-551-6949 or visiting www.oregonstateparks.org.

Discovery Season

From October 1-April 30, camping in an Oregon state park costs less. At most state parks, including LaPine, you can get \$4 off summer rates on full or electric sites. During the Discovery Season, deluxe cabins also rent for less than in the summer.

Enjoy Cabin Comforts

The park's ten log cabins are nestled in the forest above the river and are open for reservations all year. Each of the five deluxe models is a 16-by-24-foot structure that sleeps up to five people. They have three rooms, a covered porch, and a bathroom with a shower. Other amenities include micro-waves, refrigerators, and outdoor propane barbecues.

The five one-room rustic cabins sleep up to four people and provide lights and heat. A picnic table, fire ring, and tent space are just outside.

Up to two pets (cats and/or dogs) are allowed in the pet-friendly facilities.

Need to cancel your reservation? Follow these guidelines: If your reservation is for today or tomorrow, call 541-536-2071. Otherwise, call Reservations Northwest at 1-800-452-5687.

Float in Summer, Ski in Winter

LaPine's summer activities include hiking, floating the river, fishing, wildlife viewing, and mountain biking. Play it safe on the river; it has a swift current.

In the winter, enjoy snowshoeing, cross-country skiing, snowmobiling, and unique mountain views. Roads in the park are maintained throughout the winter.

Golfers will find several top-notch public courses in the Sunriver and Bend areas located less than 30 minutes north of the park.

Picnicking

The park has a large day-use area framed by a horseshoe bend in the river with picnic sites, water, and a restroom.

The "Big Tree"

This 500-year-old Oregon Heritage Tree is the largest Ponderosa pine in Oregon. It has a circumference of 326 inches and a height of 191 feet.

More to See

Newberry National Volcanic Monument is a volcanic wonderland that includes:

- Newberry Crater, a five-mile-wide caldera containing two popular fishing lakes (East Lake and Paulina Lake), obsidian fields, waterfalls, and unique lava formations. Panoramic views of the high desert and Paulina Peak reward hikers who reach the crater.
- Lava Lands Visitor Center (15 miles north), which features interpretive exhibits and a trail at the summit of Lava Butte, a 500-foot-high cinder cone.
- Lava Cast Forest, the world's largest formation of its kind.
- Lava River Cave, a one-mile lava tube formed by a lava flow from Mt. Newberry. A trail into the underground conduit is open mid-May through mid-September (call 541-593-2421 for current hours and information).

Fort Rock State Natural Area is an ancient volcanic crater rising 325 feet above the sagebrush plains. The area was
