

# Old Salmon River Trail #742A

## Recreation Opportunity Guide

Distance..... 1.9 miles (one way)  
Elevation..... 1450-1550 feet  
Snow Free ..... Almost Year Round

**Trail Highlights:** This trail is very kid-friendly. Only 1.9 miles long, it parallels the wild and scenic Salmon River. Although this trail is near the road, the closeness and constant sound of the river, as well as the old growth features of the forest, make this one of the most outstanding hikes on the Zigzag District.

**Trail Description:** Other than a short hill on each end, this is a relatively flat trail. It has several bridges that cross small creeks. It does pop up on to the road a couple of times since it is located on a narrow slice of land between the Salmon River and Salmon River Road.
