

Olympic Discovery Trail

The Sequim to Port Angeles segment of the trail is a mostly traffic-separated, multi-user trail (which includes horses, walkers and bicyclists). Segments of the trail use low traffic volume streets. East of the Tribal Center, towards Port Townsend, the trail uses existing roadways suitable for experienced cyclists. The trail will eventually extend from east to west, approximately 150 miles from Port Townsend to the Pacific Ocean.

Please read the trail rules printed on the other side.
