Longitude: 121.89689 W

Directions:

From Portland, Oregon

Take I-84 E/US-30 E to The Dalles.

Just pass the Tunnel, exit the free way on the right at the Eagle Creek Fish Hatchery Exit.

Turn right at the first stop and proceed to the trailhead in about 1/2 mile.

If you are driving west, exit and turn around at Exit 40 (Bonneville Dam).

Park and begin up the very creatively constructed trail. In places, the cliffs have been blasted out so that the trail could bypass several deep canyons. At about 1 1/2 miles, a short, poorly signed trail branches off, leading quickly to a viewpoint overlooking the gorge with Metlako Falls at its head.
